

Job Title: Financial Analyst

Posted: December 2023

Job Overview:

We are seeking a highly motivated and detail-oriented Financial Analyst to join our dynamic finance team. The ideal candidate will play a crucial role in supporting strategic financial initiatives, conducting thorough financial analysis, and providing insights that contribute to sound decision-making. The Financial Analyst will collaborate with cross-functional teams to ensure accurate financial reporting, budgeting, forecasting, and various ad-hoc financial projects.

Key Responsibilities:

1. **Financial Analysis:**
 - Conduct in-depth financial analysis to support key business decisions.
 - Evaluate financial performance, identify trends, and provide insights to improve overall financial health.
 - Analyze and interpret financial data, preparing reports and presentations for management.
2. **Budgeting and Forecasting:**
 - Assist in the preparation of annual budgets and periodic forecasts.
 - Work closely with department heads to understand budgetary needs and variances.
 - Monitor actual performance against budgeted targets, providing variance analysis.
3. **Financial Modeling:**
 - Develop and maintain financial models to support forecasting, budgeting, and decision-making processes.
 - Assess the financial impact of various business scenarios and provide recommendations.
4. **Reporting:**
 - Prepare and distribute accurate and timely financial reports to internal stakeholders.
 - Collaborate with accounting teams to ensure the accuracy of financial data and compliance with accounting standards.
5. **Ad-Hoc Analysis and Projects:**
 - Undertake special projects and ad-hoc analysis as required by management.
 - Provide decision support through scenario analysis and financial modeling.
6. **Cross-Functional Collaboration:**
 - Collaborate with departments across the organization to understand business operations and provide financial insights.
 - Work with management to address financial questions and concerns.

Qualifications:

- Bachelor's degree in Finance, Accounting, or a related field (Master's degree or professional certification such as CFA or CPA is a plus).
- Proven experience as a Financial Analyst or in a similar role.
- Strong analytical skills with attention to detail and accuracy.
- Proficient in financial modeling and data analysis tools.
- Excellent communication and presentation skills.
- Ability to work collaboratively in a team environment.
- Advanced proficiency in Microsoft Excel and other financial software.

Benefits:

- Competitive salary
- Health, dental, and vision insurance
- Retirement savings plan
- Professional development opportunities
- Collaborative and dynamic work environment
