

Join Our Welding Team in Beautiful Sheridan, Wyoming!

Are you a skilled Welder or Fabricator looking for an exciting opportunity? Our fast-growing welding facility, located in scenic Sheridan, Wyoming, is searching for Welders & Fabricators to become valued members of our close-knit team.

Why Join Us:

Lifestyle Perks: Our work environment is tailor-made for those who value a quality lifestyle. Whether you're raising a family or enjoy spending your free time in the great outdoors, Sheridan offers an abundance of opportunities for hiking, biking, hunting, and fishing.

Wide-Reaching Projects: We're not confined to one place. With projects spanning Wyoming, Montana, Colorado, and beyond, there's ample room for growth and adventure.

Work-Life Balance: We operate from 6:30 AM to 5:00 PM, Monday through Friday, providing stability and predictability. For those who seek extra hours or travel, opportunities are available.

What We Offer:

Comprehensive Benefits: We care about our team's well-being. Employees and their families enjoy health, dental, and vision coverage.

Paid Time Off: Rest and relaxation are essential. We offer paid vacation and holidays to help you recharge.

Financial Security: Plan for your future with our 401k matching retirement plan.

Short Term Housing Options: We have resources available to place you in a rental immediately until you find suitable living arrangements.

Essential Functions and Requirements:

- Safety Priority: Work safely and adhere to all company policies.
- Metalwork Mastery: Manufacture and fabricate finished metal products.
- Equipment Expertise: Install and repair various equipment and components.
- Organizational Skills: Maintain shop organization.
- Tool Proficiency: Be comfortable with power tools (pneumatic, electric).
- Quality Assurance: Conduct quality inspections on completed parts.
- Equipment Proficiency: Be familiar with Forklifts and Crane operations.
- Self-Starter: Able to work independently with limited guidance when necessary.
- Blueprint Adherence: Follow blueprints to meet product specifications.
- Team Player: Collaborate effectively within a team and follow direction.
- Adaptability: Perform other related duties as required.

Skills & Background:

- Relevant Experience: Previous experience in welding, manufacturing, or related fields.
- Welding Expertise: Proficient in welding tools and procedures.
- Blueprint Literacy: Experience with engineering blueprints and schematics.
- Physical Stamina: Ability to handle a physical workload.
- Lifelong Learning: Be a lifelong learner, always seeking to improve.
- Effective Communicator: Attentive, considerate, and inquisitive. Ask questions when needed.
- Team Player: Work well within a fast-paced, energetic environment.
- Helpful Nature: Possess a willingness to assist others.

Join us in Sheridan, Wyoming, where work meets play, and the opportunities are boundless.

If you're passionate about welding, value a supportive team environment, and are ready to take your skills to the next level, we want to hear from you!
