LIFETIME STAINLESS STEEL DESIGN

QUALITY, AMERICAN-MANUFACTURING IN SHERIDAN, WYOMING

- Custom accessory options, specially designed by the professionals at Craftco
- Stainless steel on dome structure will last a lifetime
- Incredibly strong design coupled with DURABLE stainless steel components.
- Green, carbon footprint friendly solution over cheaper, shorter lived green houses
- Energy efficient; little to no heating costs
- Minimal maintenance due to quality craftsmanship
- Evenly distributed solar heating
- Weatherproof to hail, snow and wind
- Dome shape/slope naturally sheds snow load
- Ideal for northern latitudes and severe climates
- In addition to gardening, provides a year-round place of leisure (think year-round sunroom)

WARRANTY INFO:

- CRAFTCO WORKMANSHIP- 1 YR
- PLASTIC PANELS- 10 YEARS
